An act to add Sections 8221.5, 8227.3, ~~8262.1~~, and 8262.1, and 8262.3 to the Education Code, relating to child care and development services.

### LEGISLATIVE COUNSEL'S DIGEST

AB 274, as amended, Bonilla. Child care and development services.

(1) The Child Care and Development Services Act, administered by the State Department of Education, provides that children up to 13 years of age are eligible, with certain requirements, for child care and development services. The act requires the department to contract with local contracting agencies to provide for alternative payment programs, and authorizes alternative payment programs for services provided in licensed centers and family day care homes and for other types of programs that conform to applicable law.

This bill would require child care providers authorized to provide services pursuant to those provisions to submit to the alternative payment program a monthly attendance record or invoice for each child who received services that, at a minimum, documents, the dates and actual times care was provided each day. The bill would require the monthly attendance record or invoice to, at a minimum, be signed by the parent or guardian of the child receiving services and the child care provider once per month to attest that the child's attendance is accurately reflected. The bill would require verification of attendance to be made by signature at the end of each month of care and under penalty of perjury by both the parent or guardian of the child receiving services and the child care provider. By expanding the scope of the crime of perjury, the bill would impose a state-mandated local program. The bill would require an alternative payment program to accept the monthly attendance record or invoice as documentation of the hours of care provided if the attendance record or invoice includes adequate information documented on a daily basis, as specified. The bill would specify the hours or days and hours that an alternative payment program is required to reimburse. *The bill would make these provisions operative on July 1, 2014.*

~~The~~

*This* bill would also authorize alternative payment programs and providers and other contractors providing child care development services to maintain records in electronic format if the original documents were created in electronic format, including, but not limited to, child immunization records.

(2) Existing law authorizes the Superintendent of Public Instruction to enter into and execute local contractual agreements with any public or private entity or agency for the delivery of child care and development services related to the delivery of child care and development services or the furnishing of property, facilities, personnel, supplies, equipment, and administrative services related to the delivery of child care development services.

This bill would require the department, on and after the date on which the Superintendent determines that the Financial Information System for California has been implemented within the department, at the request of a contractor, to request the Controller to make payments via direct deposit by electronic funds transfer, as specified.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 8221.5 is added to the Education Code,  
2     to read:

3     8221.5. (a) Child care providers authorized to provide services  
4     pursuant to this article shall submit to the alternative payment  
5     program a monthly attendance record or invoice for each child  
6     who received services that, at a minimum, documents the dates  
7     and actual times care was provided each day, including the time  
8     the child entered and the time the child left care each day. The  
9     information shall be documented on a daily basis.

10    (b) The monthly attendance record or invoice shall, at a  
11    minimum, be signed by the parent or guardian of the child receiving

13    the child's attendance is accurately reflected. The verification of  
14    attendance shall be made by signature at the end of each month of  
15    care and under penalty of perjury by both the parent or guardian  
16    of the child receiving services and the child care provider.

17    (c) The monthly attendance record or invoice shall be maintained  
18    by the child care provider in the unaltered original format in which  
19    it was created, which may be in paper form or electronic format.

20    (d) The alternative payment program shall accept the monthly  
21    attendance record or invoice as documentation of the hours of care

23    information documented on a daily basis, including, at a minimum,  
24    the dates and actual times care was provided each day, including  
25    the time the child entered and the time the child left care each day.  
26    The alternative payment program shall reimburse child care  
27    providers based upon the following criteria:

28    (1) The hours of service provided that are broadly consistent  
29    with certified hours of need.

1 (2) For families with variable schedules, the actual days and  
2 hours of attendance, up to the maximum certified hours.

3 (3) For license-exempt providers that provide part-time services,  
4 the actual days and hours of attendance, up to the maximum  
5 certified hours.

6 (e) For purposes of reimbursement to providers through an  
7 alternative payment program, contractors shall not be required to  
8 track absences.

9 (f) For purposes of this section, a monthly attendance record or  
10 invoice is defined as documentation that includes, at a minimum,  
11 the name of the child receiving services, the dates and actual times  
12 care was provided each day, including the time the child entered  
13 and the time the child left care each day, that is signed under  
14 penalty of perjury by both the parent or guardian and the child care  
15 provider, attesting that the information provided is accurate.

16 (g) *This section shall become operative on July 1, 2014.*
